---

The focus of this SG meeting was for SG members to critically review the draft mandates proposed by the chairs of the following new **Working Groups (WGs)** and **Special Interest Groups (SIGs)**:

- WG - Revision of the ENCePP Guide on Methodological Standards in Pharmacoepidemiology
- WG - Diversity and Health Equity
- WG - Independence and Transparency
- WG - Communications & Outreach
- WG - Real-World-Data (RWD) sources in non-interventional studies
- SIG - Pragmatic Clinical Trials (PCT)
- SIG - Supplement the Good Practice Guide for the use of the HMA-EMA Catalogues of real-world data (RWD) sources and studies
- WG - Artificial Intelligence (AI) in Pharmacoepidemiology

Once the mandates (including objectives, deliverables and timelines) are updated by the respective groups, they will be published on the ENCePP website on the [Working Groups and Special Interest Groups](#) page.

Note: two other SIGs are already operational with ongoing work on Publication of selected chapters of the ENCePP Guide in Pharmacoepidemiology and Drug Safety and in Value in Health; and on the update of the ENCePP checklist for study protocols.

For background on the new WGs/SIGs, see SG meeting minutes of [22 January 2025](#) and [25 March 2025](#) and the [ENCePP Plenary Meeting - 22 November 2024](#).
